Notes

(1) Days On represents count of continuous days on Signal Strength list. Not ranked in any specific order of strength – listed "days since Idea Initiated" longest to shortest

(2) "Analyst Best Idea Rank" indicates how high a stock is on the analysts' Best Idea Long List

(3) Bench = Analyst has a long fundamental bias on the company but has not added to the high conviction Best Idea Long list

**KM Signal = Analyst has not issued a fundamental research call on the company, but is bullish on Keith McCullough's Signal Strength*
